From the Director of Public Instruction No.R.C.No.1583/W3/48 dated 1.8.48, and R.O.C.No.1583-W.3/48 dated 10.8.48.

Please see the letter from the Director of Public Instruction on pp 1-2 and 5 c.f. with their enclosures on pp 2-3 and 5-7 c.f. He wants orders as to whether the four qualifications cited by him at R on p 2 c.f. can be considered as equivalent to Matriculation for purposes of admission to higher studies and admission to Secondary Grade Training. It is observed that the Registrar, Madras University, has stated that examinations referred to by the Director of Public Instruction can be recognised, under the War Emergency Laws, as being equivalent to the Matriculation Examination of the Madras University. No question is whether even without reference to the emergency laws, the Examinations can be so recognised. The Registrar may be asked about it.

The Registrars, Andhra and Annamalai Universities may also be addressed in the matter.

If the Examinations are declared to be equivalent to Matriculation for purposes of admission to Collegiate courses, it is presumed that candidates with the Certificates can be deemed to be fit for admission to Secondary Grade Training also.

The draft letters below are for approval.

From the Director of Public Instruction R.C.C.No.1583-W3/49 dated 20.8.49 and 2285 W3/49 dated 18.7.49

The Director of Public Instruction desires to know whether the following Army Certificates can be considered as equivalent to Matriculation for purposes of admission into the University courses of studi and also for admission to Secondary Grade Training:-

(i) The R.I.A.F. Education Test for Reclassification to leading Air Craftsmen.

(ii) The Indian Air Force Matriculation Test;

(iii) The R.I.N.Higher Education Test; and

(iv) The final passing out Examination of the I.M.M.T.S. (Dufferin)/

...s is of the opinion that certificate No.(iv) mentioned above viz., the final Passing out Examination of the I.M.M.T.S. (Dufferin) can be considered as equivalent to "Passing out Examination of the H.M.I.S. Bahadur" with reference to G.O.No.3303 P.U.dated 16.11.1944 and as the Certificate of H.M.I.S. Bahadur has been accepted as equivalent to the minimum general educational qualification prescribed for appointment in Government service, the final Passing Out Examination of the I.M.M.T.S. (Dufferin) may also be considered as equivalent to the minimum ~~minimum~~ educational qualification prescribed for Government appointment. He does not say however whether the I.M.M.T.S. (Dufferin) test can be recognized as equivalent to Matriculation for purposes of admission to the University courses of study or to the Secondary Grade Training Course which is the question raised in this file. Apparently he thinks it can be so recognized.

2. The Registrars of the three Universities were consulted as to the ~~the~~ position regarding the eligibility to University courses of studies of the holders of the four military certificates mentioned by the Director of Public Instruction. The position is as follows:-

Annamalai University. The certificates are recognized as equivalent to the Matriculation Examination for purposes of admission to the University provided the candidate has rendered active service in the last war and has paid the prescribed recognition fee. This arrangement is to be in force till 1954.

University of Madras :- Of the four examination certificates mentioned by the Director of Public Instruction, the University recognized the following permanently for purposes of admission to a higher course of study:

(i) The A.A.F. Matriculation Test.

(ii) The R.I.N. Higher Education Test.

(iii) The final passing out Examination of the T.M.N.T.S. (Dufferin).

The University has recognized the following as equivalent to Matriculation:

Andhra University (1) R.I.N. Higher Education Test.

(2) The Final passing out Examination of the T.M.N.T.S. "Dufferin".

The other two certificates cannot be recognized.

It will be seen that while the Annamalai University has recognized all the certificates referred to by the Director of Public Instruction, as equivalent to Matriculation for purposes of admission to University courses, the Madras University has recognized only three of them, viz., all except item (1) in para 4 above. The Andhra University however, has found it possible to recognize only the two Navy Certificates but not the two Air Force ones. We are not concerned with the decisions of the respective Universities in regard to these certificates. It will be sufficient to inform the Director of Public Instruction of the practices obtaining under the three Universities, as above summarised, so far as this point is concerned.

3. As regards the point whether the holders of the four certificates can be admitted to Secondary Grade Training Courses, it may be observed that under M.E.R.104, Matriculates and S.S.L.C's are eligible for admission for Secondary Training courses. It may be that one or two of these certificates are not recognised as equivalent by the Madras or Andhra University. That, however, is for admission to University Courses. Sofar as Secondary Training courses are concerned, the standard of general education obtained thro' all these certificates may be considered to be adequate and the Government may therefore perhaps declare the holders of all the four certificates eligible for admission to these training courses especially as the Annamalai University has deemed all of them to be equivalent to Matriculation Examination.

4. H.M.(E.&L.) may see with reference to the suggestions in paras 2 and 3 above.
